

WILL RECOGNIZE CARRANZA.

Government of U. S. and Other American Governments Agree.

Washington, Oct. 9.—Recognition of the Carranza government as the de facto government of Mexico was unanimously decided upon to-day by the Pan-American conference. Secretary Lansing issued this statement: "The conference, after careful consideration of the facts, has found that the Carranza party is the only party in Mexico which possesses the essentials for recognition as the de facto government, and they have so reported to their respective governments."

Secretary Lansing said the United States would wait responses from the other American republics represented in the conference before taking formal action toward recognition. He said the conference contemplated no interference in Mexico's internal affairs, and that the question of an embargo on arms and ammunition had not been discussed.

The action of to-day's conference was regarded generally as the most diplomatic step in the Mexican situation since the United States decided to withhold recognition from the Huerta government. It seems that the Carranza government will receive the moral support of the United States and that an embargo will be placed on arms destined for opposing factions as soon as recognition actually is extended, which probably will be within a fortnight.

Important Effect.

Secretary Lansing made it clear that, while the United States could not condition recognition upon the giving of amnesty or the settlement of other questions of a strictly internal nature, satisfactory assurances on these and other subjects have been received from the Carranza government. These guarantees are as follows:

1. Foreigners will be protected in their lives and property.
2. The Carranza government assumes full responsibility for claims growing out of the revolution, and will adjust them equitably by means of international commissions.
3. No one will suffer in his life and property on account of religious beliefs. All priests and nuns who have not taken part in Mexican politics will be permitted to return, and will be protected, provided they do not participate in politics and obey the Mexican laws concerning the separation of church and State.
4. A decree of amnesty is in preparation, which will enable all elements, irrespective of political affiliations heretofore, to return to Mexico with the exception of those guilty of complicity in the plot to kill Madero and Suarez, or who are charged with civil crimes. A few political leaders, who hitherto have opposed the Carranza government, will not be permitted to return until the government is firmly established, and then only if they will pledge allegiance to it.

Recognition Pleases Carranza.

Vera Cruz, Mexico, Oct. 10.—Gen. Carranza received the news that the Pan-American conference at Washington had decided to recommend recognition of his government from Carranza agents at Washington. The first chief received the congratulations of his associates at his headquarters. The telegrams were read in the theaters, and received with great enthusiasm.

Gen. Carranza will depart to-morrow on a trip through the Northern States.

In response to questions, Gen. Carranza said: "This news puts an end to all efforts of our enemies to bring about foreign intervention. They continue their intrigues and their attacks in the newspapers, but recognition of the Constitutional government naturally will rob them of the fruit of their efforts."

"When peace is absolutely restored and tranquility really established throughout the republic, amnesty will be granted to all these persons, but to permit them to return at this time would be to endure their machinations within the republic."

"The immediate effect of this news will be a great moral strengthening of constitutionalism and a corresponding disheartening of opposing factions. There will be no more formal battles. Fighting of that sort already has ended, but naturally the struggle to put down minor outbreaks and lawlessness must be continued for a greater or less time."

"Already these bands are disintegrating rapidly, and their chiefs are surrendering. This development will bring the surrender of the leaders of the opposition, since the news of recognition will remove from them further hope of success. This applies not only to those who are actually fighting in the field, but to those enemies of the cause who are intriguing, both within the country and abroad."

"News of the coming recognition is pleasing, since it will renew and strengthen friendly relations between Mexico and other nations."

UGH! CALOMEL MAKES YOU DEADLY SICK.

Stop Using Dangerous Drug Before It Salivates You—It's Horrible.

You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.

Here's my guarantee: Ask your druggist for a 50-cent bottle of Dodson's Liver Tonic and take a spoonful to-night. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel to-day and to-morrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tonic to-night and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards. —Adv.

WOMAN REFUSES OPERATION

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine."

"I hope other suffering women will try your Compound. I will recommend it to all I know." —Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham Medicine Co., (Confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

To Drive Out Malaria And Build Up The System Take The Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents

is just beginning," said Gen. Francisco Villa upon receiving to-day the news of the recognition of the Carranza faction.

Villa was ready to leave for Casa Grande, where he is said to have 20,000 men, when the news reached him.

Satisfaction rather than resentment was generally expressed by the chiefs of the northern leader.

Col. Darcio Silva, assistant chief of staff, one of the three members of the original band of eight who entered the revolution with Villa, said that "now will begin a campaign that will cause constant surprise."

"We will enter Sonora with 40,000 men," he said; "20,000 are at Casa Grande. We are well armed and equipped."

"Just what our plans are cannot be revealed, but arrangements have been completed for a campaign which, I believe, will surprise the world."

A reception by Villa to about 50 American women, a host of Mexican officials and others delayed Villa's departure until to-night.

In addressing the American women Villa said:

"My enemies say I have a hoard of money in the banks. I have no money. I have only faith in the cause for which I am fighting. Please tell Americans this."

"If the Pan-American conference recognize Carranza they only open the way for anarchy in Mexico, for Carranza means favoritism for the moneyed interests," he said.

Nature Warns

AGAINST USING CALOMEL.

The sickening, nauseating feeling that follows the use of calomel is the natural result of disarranging your entire system. Doctors everywhere are agreeing that the action of calomel is much too strong, and leaves the body sick and weakened.

LIV-VER-LAX is a wonderful substitute for calomel that has all of its good effects and none of its bad ones. It acts soothingly, but thoroughly, on the liver, cleansing it of bile, and ridding the entire system of stagnating poisons.

LIV-VER-LAX is strictly a harmless vegetable compound, and is guaranteed to give satisfaction or your money will be returned. Insist on the original, bearing the likeness and signature of L. K. Grigsby. For sale here at 50c, and \$1 at Norman's Drug Store.—Adv.

PROMINENT ANDERSONIAN DEAD

Charles S. Sullivan Stricken Suddenly While in Columbia.

Charles S. Sullivan, one of Anderson's most prominent citizens, died in Columbia last Tuesday night from a stroke of apoplexy. Mr. Sullivan had gone to Columbia with Dr. J. E. White and J. P. Kinard to appear before the educational board of the South Carolina Baptist Convention in behalf of Anderson College.

Mr. Sullivan died in the Jefferson Hotel after an illness lasting not much over an hour. During the afternoon he attended a meeting of the educational board with Drs. White and Kinard, and after the session they, with a party of friends, went to the Jefferson Hotel for dinner. After dinner was finished the party started for a walk, but after going a short distance from the hotel Mr. Sullivan became ill and stopped on the street.

He sat down on the curbstone and a physician was called. The physician arrived in a very few minutes and in a short time Mr. Sullivan was moved to the hotel. The physician remained with him for a while, then left, thinking the attack was over and that he would soon be all right. Dr. White, however, called a trained nurse, and soon after her arrival Mr. Sullivan's condition became worse, and he died before physicians could reach his side.

Mr. Sullivan was in his 50th year, having been born in Anderson May 26, 1868. His early life was spent in that city and he received the greater part of his education under the late Prof. W. J. Ligon.

Mr. Sullivan entered business at the age of 18 years, and for two or three years clerked in different stores. Later he became manager of the Sullivan Machine Company, which was connected with the Sullivan Hardware Company. After spending a few years in this business he went to Elberton, Ga., and engaged in the hardware business for a few years. Later he returned to Anderson and entered business with his two brothers, the late J. M. and N. B. Sullivan.

Besides being connected with the Sullivan Hardware Company, Mr.

SIX INTERNES ESCAPE?

Kronprinz Captain Reports Men Missing—Bought Yacht.

Norfolk, Va., Oct. 14.—Missing since Sunday, six warrant officers from the interned German cruiser Kronprinz Wilhelm are being sought by ships at sea and up Chesapeake Bay. Rear Admiral Beatty, commanding the Norfolk yard, yesterday reported the men's absence to the Navy Department after he had been informed of the fact by Capt. Thierfelder, of the Kronprinz Wilhelm.

The missing officers left the Wilhelm on shore liberty. About a month ago they purchased the yacht Eclipse, a 60-foot, 43-ton auxiliary craft, that formerly was the property of a retired officer of the United States navy.

The officers had not obtained permission to leave these waters, and their absence has caused much speculation in naval circles.

Carolinian Weds in Washington.

Washington, Oct. 13.—The marriage of Miss Virginia C. Wheeler, daughter of Mrs. J. E. Wheeler, of Baltimore, and Capt. Jos. H. Earle, of Greenville, corps of engineers, U. S. A., was solemnized last evening at 8 o'clock at the home of Mr. and Mrs. W. B. Harrison, brother-in-law and sister of the bride. Owing to mourning in the family of the bridegroom, the guests who witnessed the ceremony were limited in number to about 40.

Capt. Earle and his bride left Washington last evening for the North. They will go later to Greenville for a stay of two months and will be at home in their quarters at the Washington barracks some time in December.
